## Section 504 Notice of Program Accessibility

Women's Clinic and all of its programs and activities are accessible to and useable by disabled persons, including persons who are deaf, hard of hearing, or blind, or who have other sensory impairments. Access features include:

- Convenient parking designated specifically for disabled persons.
- Curb cuts in parking area.
- Level access into first floor level.
- Fully accessible bathrooms, waiting room area, patient treatment areas, including examining rooms and procedure room.
- A full range of assistive and communication aids provided to persons who are deaf, hard of hearing, or blind, or with some other sensory impairments. There is no additional charge for such aids. Some of the aids include:
  - Qualified sign language interpreters for persons who are deaf or hard of hearing.
  - A twenty-four (24) hour telecommunications device (TTY/TDD) which can connect the caller to all extensions within the facility, for use by persons who are deaf, hard of hearing, or speech impaired.
  - Large print materials for the visually impaired.
  - Flash cards and other communication boards.

If you require any of the aids listed above, please let the receptionist or your nurse know.

Waverly Health Center complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
