

Volunteer Opportunities

Auxiliary Board: Serve as a member of the Auxiliary Board and provide leadership as an officer or committee chairperson.

Cardiopulmonary Rehab: Greet patients, assist putting on patches, operate scales, record results and assist/encourage patients with exercise and other duties as assigned.

Community Outreach: Assist with events/clinics either onsite or offsite.

Dining Room Cashier: Receive money from staff and visitors in the Dining Room.

Freedom the Dog/WHC Mascot: Wear the costume for WHC at outreach events.

Gift Garden Clerk: Work as a clerk in the Auxiliary's gift shop on a regular or substitute basis.

Laboratory Assistant: Greet patients entering the lab and assist with stocking and other duties.

Music: Play soothing music in waiting areas.

Nutrition Services Aide: Assist nutrition services staff by collecting dishes from drop-off areas around the hospital and return them to the dish room.

Office Work: Work in various departments doing typing, filing, mailings, computer work, etc.

Outpatient Surgery: Answer telephones and greet patients in Outpatient Surgery. Prepare patient charts and other clerical duties as assigned.

Patient Ambassador: Visit with patients and give information about services available to them during their stay.

Patient-Centered Councils: Serve on councils with WHC staff to support a positive patient experience (must use WHC services).

Patient Escort: Greet and escort patients, families and visitors throughout the hospital. Requires walking much of the shift and ability to push a wheelchair. This position has lots of contact with the public.

Pet Visitation: After certification and training, bring in your pet to visit patients and visitors.

Prayer Request Line: Praying for individuals who request prayer. This may be done from anywhere.

Quilting/Sewing: Making quilts, blankets, baby caps for our patients/new babies.

SHIIP (Senior Health Insurance Information Program): Assist clients with Medicare and drug plan choices and questions.

Specialty Clinics: Act as a receptionist in outpatient waiting room when visiting specialists have clinics. Escort patients from one area of the hospital to another.

Spiritual Care Team: This is an on call position. You will be part of a team who will respond on-site to requests from patients, visitors or staff.

Treat Trolley: Sell beverages and snacks from the Treat Trolley to staff, patients and visitors.

Volunteer Baking: Prepare and distribute treats to patients, families and visitors. Volunteers bake onsite using provided mixes.
